

We're a New York State and Massachusetts Certified Women's Business Enterprise.

As a company that has been in business for 60 plus years, we are pleased to announce our certification as a New York State and Massachusetts Women Business Enterprise (WBE). We are listed in the State's Directory of Certified Businesses, and are looking forward to helping companies pursue the goals of the policy behind Article 15-A.

We hope our certification will help make your future equipment and rental needs easier. In the meantime, we are always ready to provide you with whatever services you need to meet your equipment specs and contract qualifications for New York State.
